Duties

This is a unique opportunity to be employed in the Gaming Industry while working towards a State retirement!

The California State Lottery is looking for that motivated and creative SQL Data Base Administrator who is looking for an exciting challenge. Help us move our IT infrastructure to the next level.

This opportunity will expose our successful candidate to leading edge technology as we continue to expand our hybrid infrastructure. Portions of our systems reside in cloud environments such as Microsoft's Azure, Platform as a Service, Software as a Service and portions are virtualized on hosts at Headquarters. We strive to be the largest Lottery in the world. To achieve that we need forward thinking, progressive and innovative talent willing to work with our teams towards that goal.

This Associate SQL Administrator position will work with our highly skilled Data Management Team to design, implement, back-up, and maintain Lottery SQL Servers. This would include improving database operational efficiency, performing daily, weekly and monthly maintenance tasks, and maintaining documentation. This position is considered an apprentice level position. Please see attached Duty Statement for details. This position will work in collaboration with our internal clients and our gaming partners. Evening and weekend work may be required.

Need more reasons to apply?

This is a place where the revenue generated makes dreams come true every day while we enhance the educational experience of our California students. If you would like to be part of this exciting adventure, join us. Afraid you might not have all the skills? If you bring the talent and some SQL experience, we will help continue your SQL training. With your experience and our mentoring, you will expand your personal skillsets and worth.

We welcome you to come work in our award winning "Green" building with near-by walking trails. Grow your career as you contribute to help schools educate the next generation. We have free parking and if you own an electric vehicle, we have electric vehicle charging stations. We also offer a free on-site gym and have two restaurants (Subway and Krush Burger) on our first floor. Although we are a State Agency, you can find us at www.calottery.com

Desirable Qualifications

Applicants applying for this position should:

- Be familiar with SQL databases
- Have good written and verbal communication skills
