All assessments of damages shall be within the sole discretion of the MUSL.

The Contractor must make payment within thirty (30) days of MUSL's demand. In the event the Contractor fails to pay within the thirty (30) day period, MUSL may make a claim for payment from the bonds, insurance or lines of credit proffered by Contractor under this Agreement, or MUSL may seek payment directly from Contractor in the event such bonds, insurance or lines of credit are insufficient or no longer available.

(b) Failure to Assess Liquidated Damages. The failure of MUSL to assess liquidated damages in any instance where the MUSL is entitled to liquidated damages pursuant to the terms of this Agreement shall not constitute waiver in any fashion of the MUSL's rights to assessment of liquidated damages.

7.1 Severability of Individual Liquidated Damages Clauses. If any portion of this liquidated damages provision is determined to be unenforceable, the other portions of this provision shall remain in full force and effect.

7.2 Specific Liquidated Damages.

If this Agreement is terminated, compensation, if any, shall be limited to reasonable expenses for good and valuable (as determined by MUSL) products, materials, supplies, and services provided by Contractor and accepted by MUSL through the termination date for which Contractor have not yet been compensated. This section shall survive the termination of this Agreement.

12. Compliance with Laws. Each Party shall comply with all applicable laws, rules and regulations when performing under this Agreement. This also requires that Contractor to pay all taxes, fees, and assessments, however designated or levied, or based upon the goods and services supplied by Contractor.

Coverage must continue until one year past the expiration of this Agreement

Contractor may not elect to provide entirely or in part for the insurance protections described above through self-insurance.

15. Assignment. No right or obligation of Contractor under this Agreement may be assigned by Contractor without the prior written approval of MUSL, and in the event of any such approval, the terms and conditions hereof shall apply to and bind the party or parties to whom the right or obligation is assigned as fully and completely as Contractor is hereunder bound and obligated. No assignment shall operate to release Contractor from its liability for the timely and effective performance of its obligations hereunder. Assignments made in violation of this provision shall be null and void.

For the purposes of this contract, “force majeure” is defined as “an act of God or any other cause of like kind not reasonably within a party’s control, and which, by the exercise of due diligence of such party, could not have been preened or is unable to be overcome.” Contractor must inform MUSL in writing within three (3) days of the existence of any such force majeure or otherwise waives this right as a defense.

Neither Contractor nor MUSL shall be liable to the other for any delay in or failure of performance under this Agreement due to a Force Majeure occurrence. Any such delay in or failure of performance shall not constitute default or give rise to any liability for damages. The existence of such causes of delay or failure shall extend the period for performance in the exercise of reasonable diligence until after the cause of delay or failure has been removed.

If Force Majeure conditions are expected to continue unabated for an indefinite period and Contractor cannot perform services as required by this Agreement, MUSL retains the right to obtain alternative services and/or to terminate this Agreement so that business continuity can be restored without liability to Contractor for any services not performed or not provided.

Contractor shall immediately upon discovery notify MUSL in writing of any delays in performance regardless of responsibility, fault or negligence. If Contractor contends the delay is the responsibility, fault or negligence of MUSL staff, Contractor must provide written notice within three (3) days of the discovery, and to the extent possible, identify the event or individual responsible so MUSL may take appropriate action to remedy the situation. Failure to provide such notice to MUSL as required in this section shall constitute a waiver of Contractor’s right to assert MUSL’s action/inaction as a defense.
